## CONTENTS

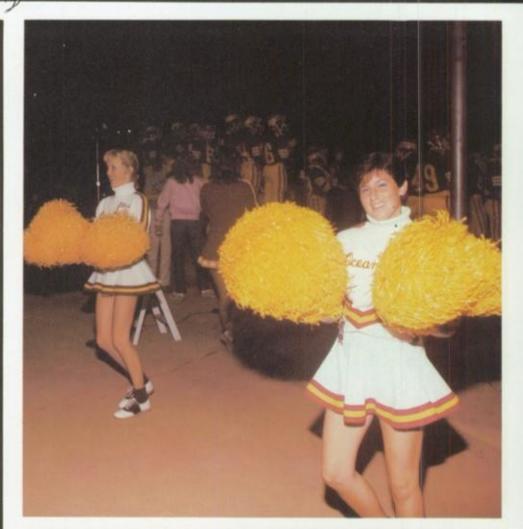

Everybody needs a little boost and support in life sometimes. Friendship can be the source of those necessities. One of the reasons for Ocean View's success is the strong bonds of friendship amongst its students. Friends are not only there to support you but to share your highlights in life with. Whether your shared highlights have been the prom or a casual date to the movies, a football game or Twister at a friend's house, those moments and many more to come will always be cherished as long as you have friends to cherish them with.

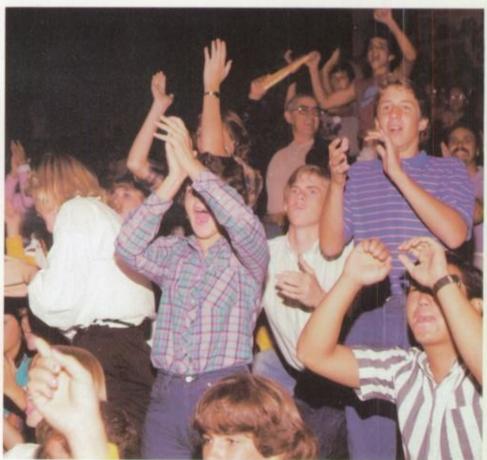

Although Ocean View High School is the youngest in its district, it is highly recognized by her sister schools and the community for its enthusiastic "Seahawk Spirit." It can often be reflected by the many forms taken on by the school's cardinal and gold colors such as uniforms, book bags, jackets, notebooks, folders, and banners hanging around the school. Or stickers on windows which depict that proud Ocean View Seahawk. No matter which way you turn, you will always find some sign of that proud and enthusiastic "Seahawk Spirit."

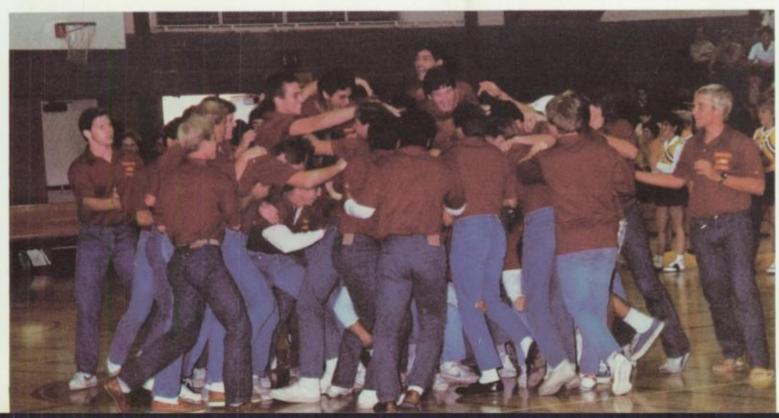

SPIRIT SPIRIT SPIRIT

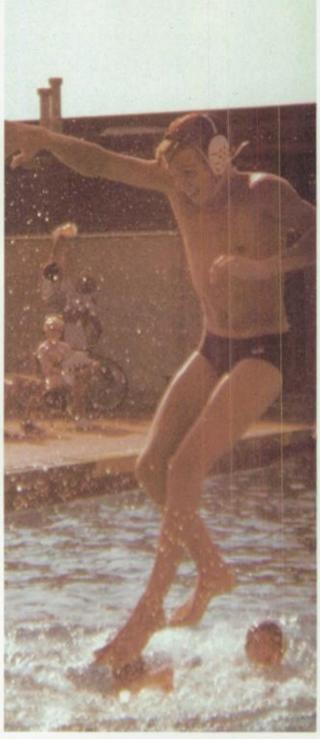

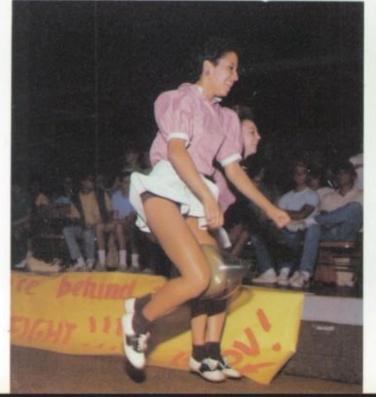

#### PARTICIPATION PARTICIPATION

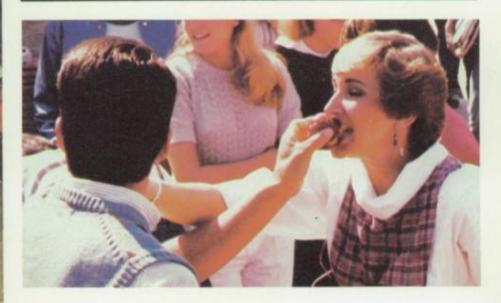

#### PARTICIPATION PARTICIPATION

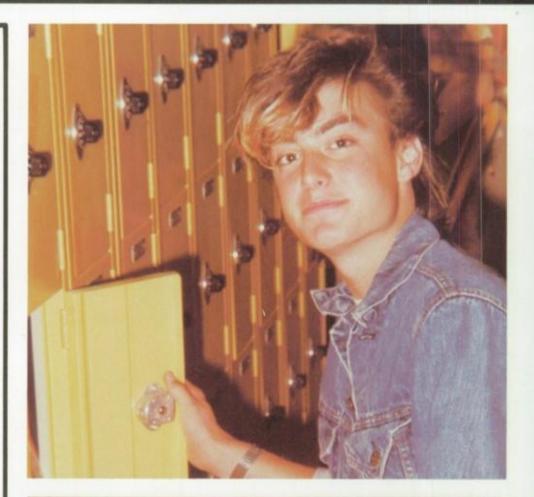

Participation plays an important role in our Seahawk pride. Just check the list of activities here, such as the Spanish club, the ski club, the Key club, and Keywanettes. You'll find that everyone is involved in one thing or another. Whether there is a pep rally or a class competition, football games or basketball games, there are always great turnouts for these events with hundreds of students showing up as well as spectators. People at Ocean View are proud to participate in school activities and that pride shines when they do.

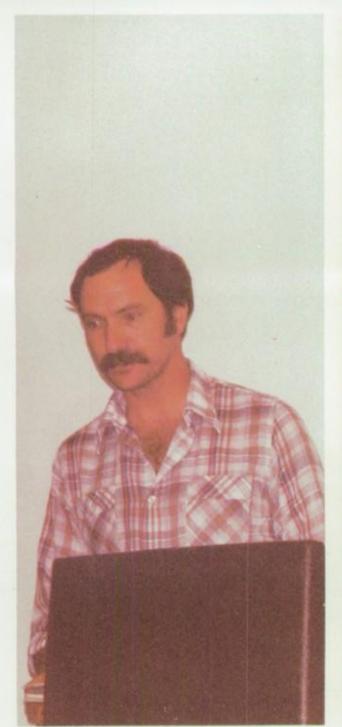

#### LEARNING LEARNING LEARNING

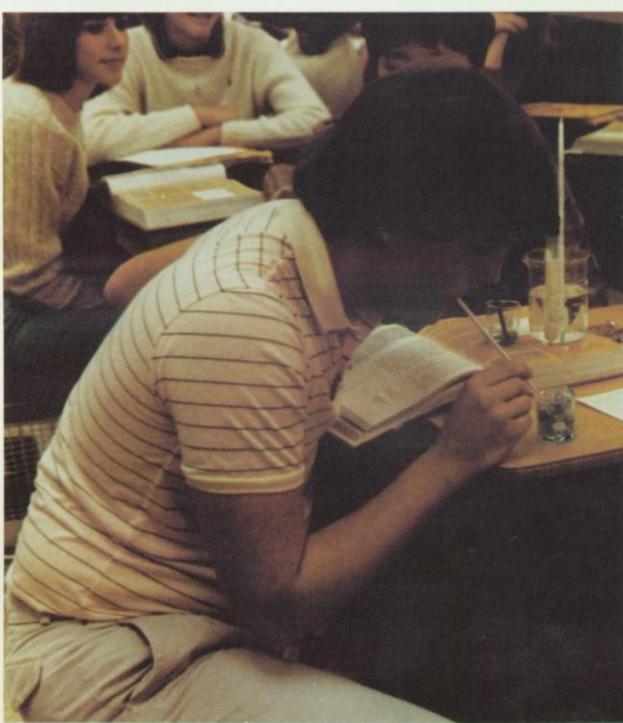

At Ocean View, the attitude amongst the students about academics is a very productive one. Remember how tough you thought high school would be when you first got out of junior high? It was definitely a challenge to be conquered for all of us and most of us have succeeded in doing so. Whenever we got to any "rough spots" there were always teachers and faculty members there to help us through. In the time that our years at Ocean View have elapsed, it isn't rare to see grade point averages of 4.0 or better which proves that O.V. is an academically productive school.

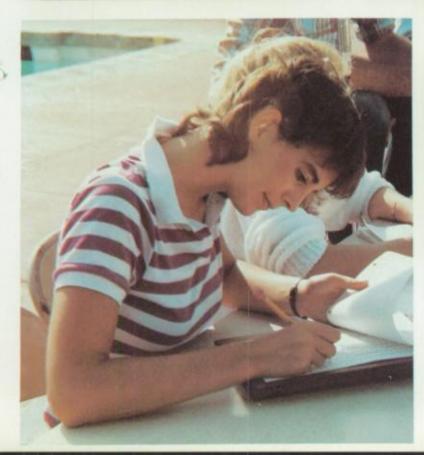

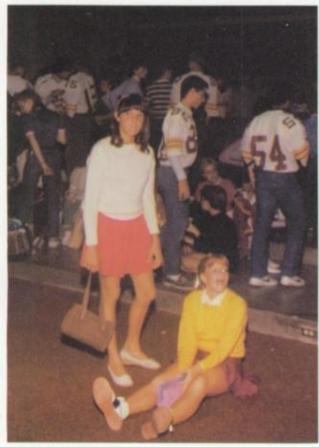

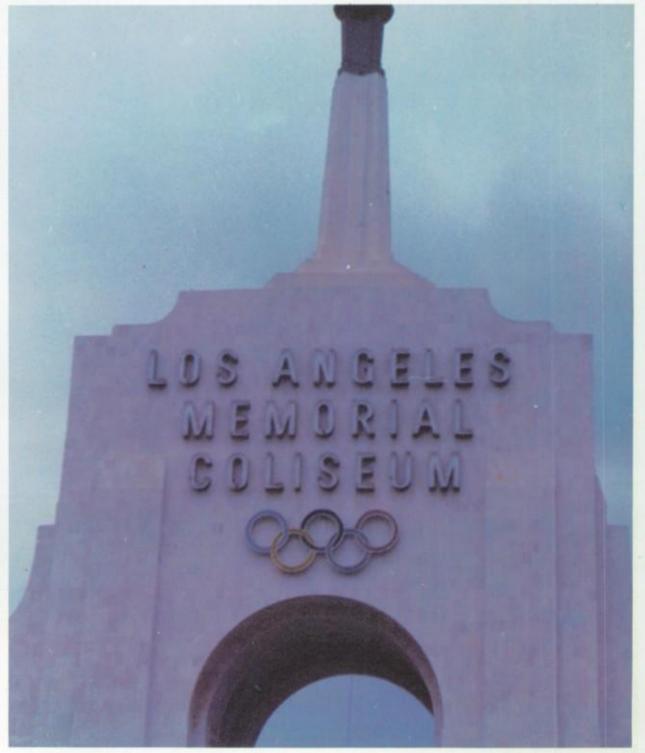

#### ENVIRONMENT ENVIRONMENT

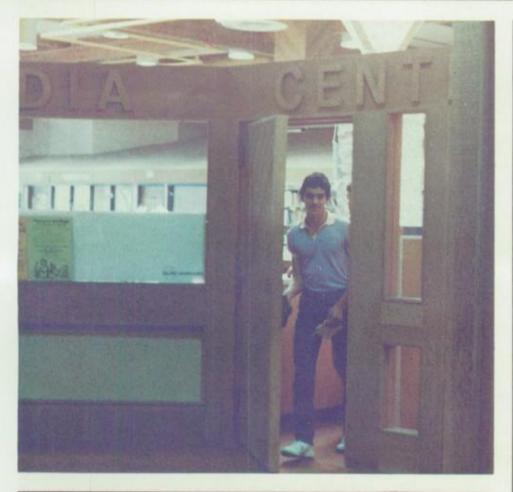

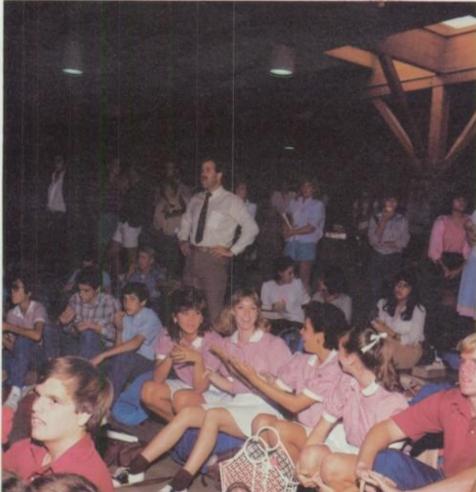

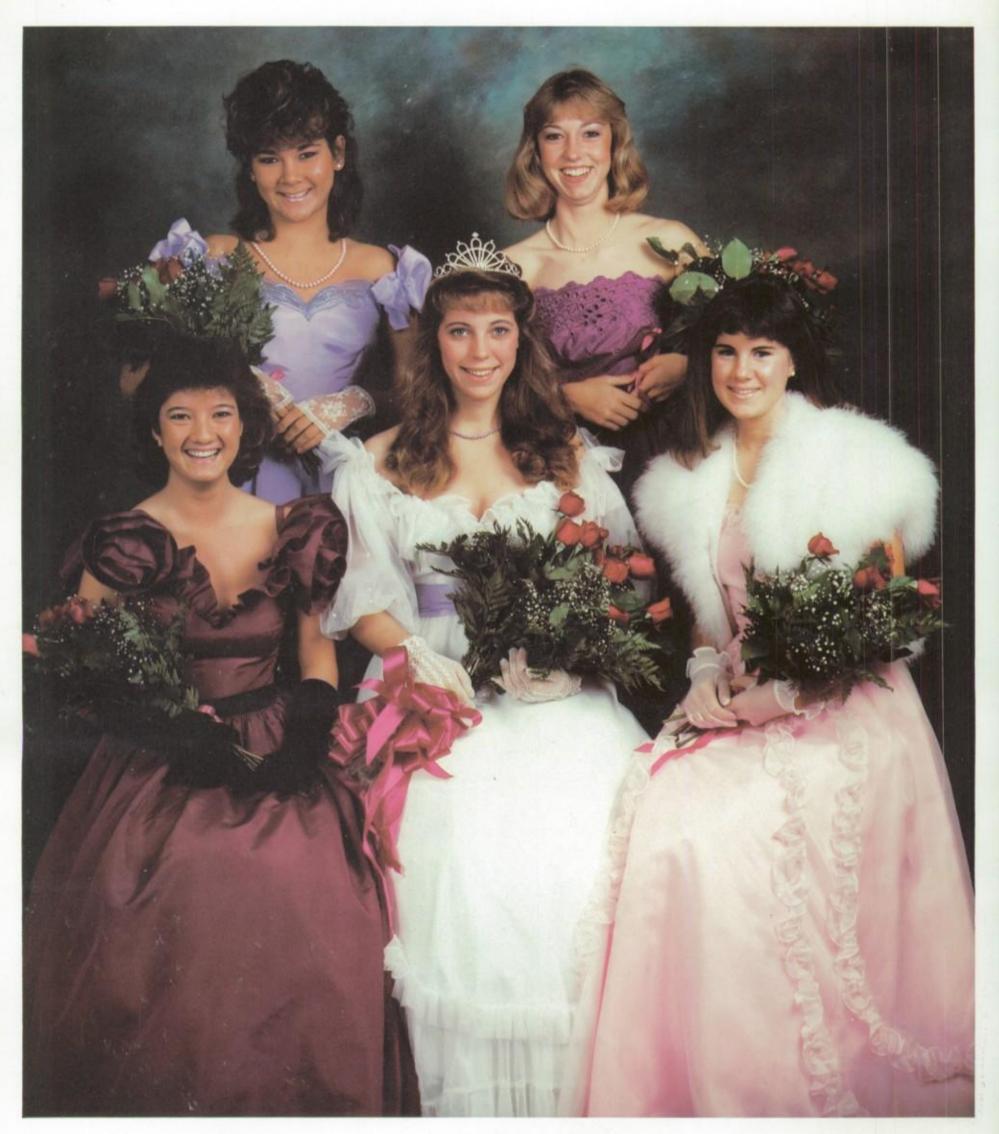

#### ENVIRONMENT ENVIRONMENT

Ocean View is a school of varied styles and personalities. Just walking down the halls and through the commons, one can see a variety of styles from rock-a-billies to mods, new romantics to preppies. Even the cultures and nationalities are extensive. Everyone seems to get along with each other and it seems that looks and appearance are not what matters to the students at Ocean View, but the people do. Student life at Ocean View has been a pleasant one and a welcoming one to incoming students.

Queen — Bevann Griskonis. Court — Denise Violette, Chris Clark, Julie Spehar, Lee Ann Paris

## The Greatest Show on Earth

Ocean View was filled with spirit and enthusiasm as the week's activities came to an end and Homecoming Day began.

The spirit was sparked at the pep rally with enthusiastic performances from last year's song leaders, drill team, and yell leaders.

The spirit carried through the first half of the football game against Westminister as we were ahead 13-0.

The tension built as the five homecoming nominess were driven into, the center of Huntington Stadium, then escorted by their fathers up the platform. Joyous cheers were released as Karen Anderson placed the crown upon Bevann Griskonis' head. Her court consisted of Chris Clarke, Julie Spehar, Denise Violette, and Lee Ann Paris.

However our skill did not hold up and we lost the game. We tried our best and put up a good fight.

## PURSUIT OF EXCELLENCE

#### Most Likely to Succeed

### Richard Smith Susan Danger

"Being chosen the 'most likely to succeed' is worth my effort and dedication to O.V.H.S.," said Susan. She is an actively involved member in the Model United Nations program at Ocean View and is one of the highest ranked students at this school. Therefore, when it came time to choose the "most likely to succeed" students in the graduating class of 1984, Susan was everybody's first choice along with Richard, an active member in the student body government and the A.S.B. president, whose reply was, "I'd like to thank everyone who voted for me. I hope I can live up to it." Don't worry Richard, we know you will. Congratulations and good luck to both of you.

#### Class Flirt

### Phil Jordan Liz Hutcherson

Flirting is a true art that takes time to master, but Liz Hutcherson and Phil Jordan have both successfully mastered it in their short four years at Ocean View. Phil, always known to be flattering the ladies, felt "proud of it and I've worked four years to reach this goal. I'm just girl crazy." Don't we know it? Just as we know Liz was delighted to have gained this title. Although she wouldn't express herself in words, her untamable flirting shows it.

#### Most Talented

## John Massey Beadie Pompa

When the time came for the seniors to pick the most talented people in their class, the first choices were undoubtedly Beadie and John. "It's an honor to be recognized for a particular talent by your peers. It takes a lot of hard work to be good at whatever you do," said Beadie. John seemed rather supprised to have received this honor. "I didn't expect to win it, but I'd like to thank my classmates for picking me as the most talented," was what John had to say about it. With such school productions being in them, such as, "The Miracle Worker," "Man of La Mancha," and "Fiddler on the Roof," we all know that these two will go far in the competetive careers they choose to pursue.

#### Warmest Smile

### Craig Adnams Bevann Griskonis

Whenever you see Bevann or Craig, they are always quick to flash those pearly whites and make your day. Both were surprised and delighted when they found out that their smiles were considered the warmest by the graduating class of '84. They have the kind of smile that leaves you filled with good feelings for the rest of the day. Neither had much to say about their titles, but their gratitude was revealed in the huge grins that appeared on their faces.

#### Cutest Couple

### Allen Ellis Danielle Panzica

Cute couples are hard to come by nowadays and the special relationship shared between Alan Ellis and Danielle Panzica is definitely a rare one. Alan was so enthusiastic upon receiving this title. "I thought it was real great and feel this 'wazoo' relationship will last a long time" Danielle also appreciated getting it, considering all of the "real fun" times they've had together. This handsome pair just wanted to thank the class of '84 for selecting them as the "Cutest Couple." Do we hear wedding bells in the near future?

Amy Fillmore: "SQRLS ME." To all the best times, love ya chicky & fry! (H.H.Terrible threesome!) Balboa Cruisers & Leaking Porsches are the best! Love ya always Tim & Robbie. Thanx Mom & Dad.

### Most Spirited

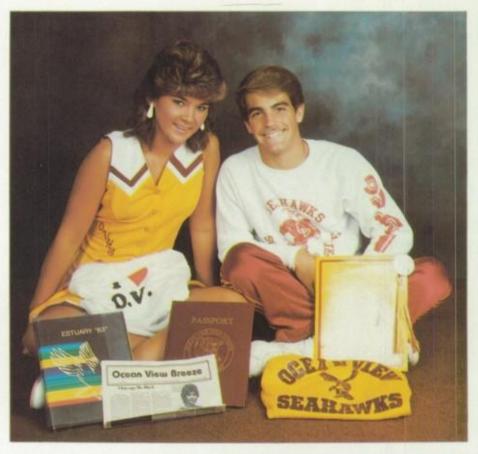

### Brian Bode Julie Spehar

Whether it's a football game or a basketball game, you can always be sure that Julie Spehar and Brian Bode are always at the scene cheering and rooting for Ocean View. Julie, who is on Varsity Yell, said that she was "excited and happy, and it was nice to know that my fellow classmates would recognize me for that title." Brian, a very "Rowdy Rooter," thought it was an "honor." These two are truly the "Most Spirited" students of the class of '84.

### Most Devoted Seahawk

### Jeff Zitko Chris Clark

Jeff Zitko and Chris Clark are a dedicated pair who have always helped Ocean View gain the respected reputation that it has today. Both are actively involved in student government. Chris thought that being given this title was neat "because when I do something, I don't think that people recognize me for doing it," but we do. Jeff found that it was an "honor that my fellow students see that I put so much time into Ocean View."

Sexy means attractive and who could fit these descriptions better than Yolanda Miller and Matt Jones? ### Dave White Kim Darling

When it comes to "Best Bodies," Dave White and Kim Darling have two of the best around. Kim was flattered that her classmates recognized her for this and Dave was "glad that so many chose me for this. I thought one of the football players would get it." Well, it just goes to show that it must take a lot of hard work and exercise to be in such physically good shape, and whatever these two have done, it certainly does show.

### Dave Twelker Jean Gordon

Neither Jean nor Dave were expecting to be given the title of "Shyest" because neither considers themself to be shy. They consider themselves quiet around people they don't know and people that don't know them, yet both admit to being very open with their friends. Well, there's nothing wrong with being shy because it makes it all the more pleasant when you finally get to know them.

### Head First Welcomes OV's Students Back to School

his year's welcome dance was a complete success, thanks to the talented band, Head First. The pleased faces and gossip which went on throughout the school, was all that was needed to show the dances success.

The Welcome Dance brought excitement to the new school year, reuniting old friends and best of all,

the making of new friends.

Everybody danced to the sounds of rock-n-roll, new wave and practically anything that was suggested. The enthusiasm everybody displayed really made the dance an even better event. With an opener like this, it makes people want to attend all of them. It sure was a warm welcome!!

## Seahawks Bash With the Monster Mash

n Monday, October 31st students and faculty members participated in O.V.'s Halloween Dress-Up day. Students and teachers came to school in their bizarre, colorful costumes to show their Halloween spirit. Passing through the halls one could see the expressed imaginations of OVs Goblins.

During lunch a contest was held in the theater area for those who participated. Awards were given to such

winners as Sam Perriconne, Tracy Waselweski, Bevanne Griskonis, Leeann Herdman, Richard Smith, Jeff Zitco and Theresa Miller. All winners received cash prizes donated by the ASB, from the financial office. If you were of the audience and saw ballerinas dancing through the theater stage, or Pac-man eating up a storm don't fret it was only OV's teachers and students participating in the "Graveyard Bash."

he Diviners" is a touching story of a simple-minded girl, Buddy, learning not to be afraid of water by a disenchanted preacher, C. C. Showers.

Buddy completely trusting of anybody and everybody soon makes a friend when C. C. Showers comes to Zion to get away from preaching and the world of Gospels. He helps Buddy to overcome her fear of water so she can wash and cure her ringworm that invades her whole body. The plot comes to the climatic point when Showers and Buddy are wading and Norma along with the rest of the town come down to witness the event. The mob of people

divert Showers attention from Buddy to them mean while, Buddy liking the water wades out too far. Showers tries vainly to save the drowning child but fails. Buddy drowns as the horrified crowd looks on.

### Juniors Upset Seniors, 14-6

he look on their faces was hunger. Inside, a feeling of determination, outside pride was at stake. Defeated last year 35-7 they were out for a victory, as Lori Mentz put it, "A clean victory." The seniors wanted it all.

The opponents had a massive squad, although each didn't seem too big for the mighty seniors to handle. They looked scared; pessimistic. This Junior team wasn't like the one of the past & soon enough the "Girls in Gold" found out.

Powder Puff changed this year. It wasn't the game that was so important, it was everything that took place. Secret practices were held by both teams & this only intensified Nov. 29th's game. The senior girls learned an intimidating Somoan chant while the Jrs. kept repeating, "dead meat."

The day of the game came quickly & the Seniors showed-up with black bands around their arms, signifying death to the Jrs. Both teams were fired-up at the pep rally, barely being able to sit still. Denise Ferrall & Kayanne Robertson spoke words of criticism while Lynne Donnelly & Lori Mentz advised the Juniors to play clean & fair.

The field displayed a serious Senior team. Each girl was designed with a very intimidating war paint and they knew it was time to take the stage. The first play saw Tracy Moarelock run 79 yards for a touchdown. Did she step out? What do you think the seniors saw? What do you think the referees saw? At least hope belonged to the '84 team. Tackeling? Three times the seniors were penalized for this, but still they believed in themselves. Belief led to reality as Denise Eastmen scored on a 5 yard run, rounding out the score 6-7.

Half time displayed such beauties as Steve Johnson, Adam Buder, Mike Aguilara, Brian Bode and Jason Smith. Each candidate awaited anxiously in their Pepster uniform until cheers rocked the stadium. The very exquisite Brian Bode reigned as Powder Puff Queen '84, WOW!!!!!

Third quarter action saw the Juniors take the lead 14-6. After this fine play there was no turning back. Wait! Did Denise Violette after catching the most incredible pass of the night, lose her flags or did they fall off while leaping through the air? Again the seniors only had belief on their side, thus became the turning point of the game.

Time ran out & so did the seniors, but on to the field. What seemed to be good sportsmanship turned into a brawl.

Crushed by another loss the seniors couldn't achieve it but you're guaranteed they'll always believe it. Believe in what? The best — THE GOLD!!

# PEP RALLIES, FUN

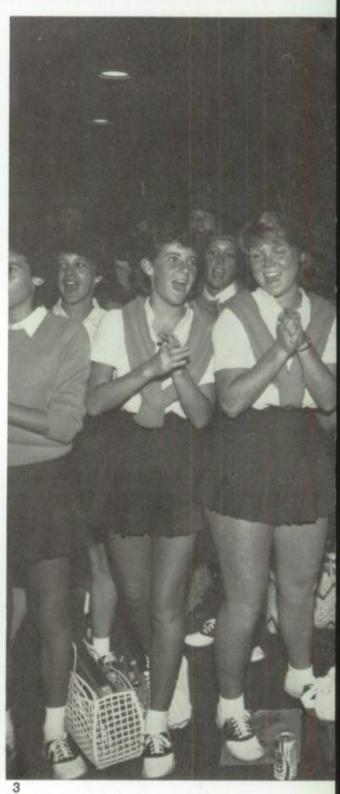

# Class Competition, and Spirit Brought Enthusiasm

et's all hear, "Seniors, Seniors, Seniors yeah!!!" "Who is that out there stuffing his face with a cream pie." "Is that Mike Diehlman with the balloons between his legs? These are just a couple of things you'd hear at an Ocean View pep rally. Usually, they'd consist of a welcome from pep commissioner, Denise Violette. Following the welcome the song leaders shuffled their toes to a familiar tune and the cheerleaders would yell until there voices were weak. Next, the coach would usually speak about his/her team to fire up the crowd for that nights game. The program would continue until all the pepsters got their chance to show their enthusiastic side.

In actuality what is a pep rally for? "A pep rally is an assembly to put pep into the team, pepsters and fans," quotes Denise. Each rally is basically made up of a class competition, whether it be tossing eggs or cramming into a closed off circle, people always enjoying competing. There have been events such as apple bobbing, egg toss, balloons stomp, root beer chug a lug, blindfolded baby bottle feeding, yelling competition, and carmelcorn feed. The classes compete against each other, with two seniors, two junior, two sophomores and two freshman. The faculty gets to compete with each other as well. Pep rallies are fun for all and a big part of O.V.H.S. great spirit.

### Winter Semi-Formal

his year's Winter Semi-Formal was held on campus in the Ocean View Commons. This exciting event took place on December 9th and went from 8:00 p.m. till 12:00 p.m. As couples approached the quad, they could see the beautiful decorations set up by the Executive Board. Tables were covered with Holiday cloths as candles provided a romantic atmosphere. Garland was draped from the ceiling to the stage putting everyone into a festive mood.

The couples danced to music played by a D.J., "The Music Nut." He played all types of music so

everyone received a chance to show what they had. Couples were seen doing quite funky dance steps while others tried to 'outbreak' each other. It wasn't unusual to see dates ditching each other, especially those girls who spent all their time in either the bathroom or dancing with their girlfriends. Pictures were taken for remembrance of this occasion by Dan Dean or one of the photographers from the Estuary staff. All in all "Whispers of Winter" was a great success, leaving everyone with a warm feeling for the two week holiday.

### Denise Violette and Jeff Zitco Are Crowned New Queen and King

his year OV's traditional Valentine's Dance was held at the Costa Mesa Country Club and entertainment was provided by a professional disc jockey. The semiformal event entitled, "A touch of Romance" began at 8:00 and ended shortly after 12:00 p.m. Saturday February 11, 1984.

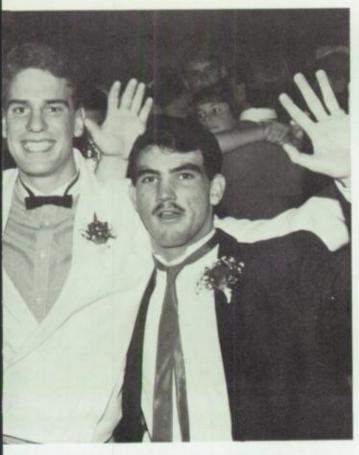

Despite the size of the adjoining banquet rooms at the club, only about seventy couples showed up with their sweethearts for this evening of romance. The couples that were there, were handsomely dressed in all sorts of evening attire, ranging from the most simple dress to a formal affair suited for a Prom.

These happy couples danced the night away until that shining moment came when the King and Queen were announced! The tension mounted as the finalists gathered on the floor, and finally the crowning of OV's 1984 King and Queen of the Valentine's Dance, Jeff Zitco and Denise Violette. The couple started off the dance to "Up Where We Belong" until the rest of the onlookers joined in!

### OVHS Faculty Shines in All Star Game

he 5th annual Celebrity Basketball Game brought in over 200 people for the event, as famous celebrities and the Ocean View faculty faced off in a very rough game.

Coaches were Butch Fredlow, Craig Adams, Todd Dixon and John Sharke.

# THE DATING

### "How Would You Start Me if I Were a Car?"

Kelly Doran. This year's dating game consisted of fast comebacks and some revealing poses. Lisa Hensel was from Fountain Valley and Scott Miller from Edison High School. The bachelors were; seniors, Matt Jones, James Thompson and Steve Johnson. The bachelorettes were: seniors, Kelly Doran, Cheryl Bailey, and Lynn Donnelly. After questions such as, "If you were deserted on an island which two things would you want with you?", and "Give us your sexiest pose", the audience went into hysterics. Matt and James gave their best posing and Lynn sang "You are My Sunshine". As each set of Seahawks tried to impress the unknown sweetheart on the other side of the divider he/she kept in mind the humorous if not crude answers. Although the bachelors were a lot funnier than the bachelorettes the crowd enjoyed both games vigorously ... By the way victors of this event were the charming Steve Johnson and Kelly Doran who immensely enjoyed steak dinners payed for by the Executive Board.

### ILLEGAL ACTIVITIES -

### The Substance Abuse Committee

here is a new but most interesting committee that has been formed on the Ocean View campus this year, and it involves the abuse of alcohol and drugs among the high school campuses over the past few years.

Committee members include: Carol Kanode, Evie Salee, John Webb, George Clemens, and Julie Mayer. (not shown in photo).

The Committee's main goal is to assess any problems concerning alcohol or drug related difficulties on the high school campuses.

This year's committee sponsered the Chemical People, participated in a district workshop, and took place in an all day in-service for those who attended the district workshop.

COP: May I see your driver's license please? KID: Ahh-yeah, here you go, officer. COP: Would you step out of the car? Over on the curb.

KID: Wha-what did I do wrong?

COP: How much did you have to drink?

KID: Just a couple beers. Why don't you let me go? Be cool man!!

COP: Stand back. Put your feet together, head back, arms outstretched . . .

t was as if he knew I was a kid and it was Friday night, and my car looks kinda funky, so he hassled me for my eft headlight being out. He thought that was a good excuse to pull me over and see if I had any Illegal Substance in my car. I was stone cold sober and driving perfectly, but he still nad to hassle me.

A local officer who stakes out the streets surrounding the campus was known as "Stone ace." Almost every morning he pulled over

either a parent delivering kids or a student for unsafe turns or other illegal actions when often times the only thing they did wrong was being born in '66 or just going down the street with Stone Face on it.

It's not hard to understand why cops were suspicious about students, since a recent survey in Los Angeles City Schools estimated about 80% of high school students had tried pot and some 95% had tried alcohol.

"It's not hard at all to get the stuff. Just ask a friend who has connections and you score."

The same senior said, "It's not worth it, getting high before class. I keep my partying to the weekends."

Weekend drinking and weeklong recuperation also were common. Joining the formation of such clubs as the "Daquiri Girls," Pleasant View Pals, and "Schnapps Sisters" were formal ways for students to get together and pass the time on weekends.

"I would come to school pretty bombed and

was like a personal joke." Commented one obviously unnamed student?

The senior explained his drinking habits over the three years at OVHS like this, "In the tenth grade I was trying to get accepted and feel big now that I was in high school. Enjoying the freedom and out-of-school activities included going out and getting drunk. In the eleventh grade I had the most fun because I had a lot of friends that I met the year before and we'd party a lot. But in my senior year it was like I had outgrown that stage. I still drank, but it wasn't like just going out to get bombed. I concentrated more on passing so I could graduate and on making serious plans for when I go out.

Lesser evils on campus were large "pools" during pro football games and World Series games. Pots of \$18 and \$32 were paid to winners. In addition students made one on one

#### TRADITION — ATTITUDE — PRIDE — STRENGTH

I want to thank all the players and coaches who participated on this year's Varsity Football Team. We spent many hours together, sharing the laughs and the tears. Each of us grew in many ways. Thank you for putting forth a tremendous effort trying to make Ocean View High School the number one school in Orange County. Your desire was certainly appreciated by many, but most of all by me.

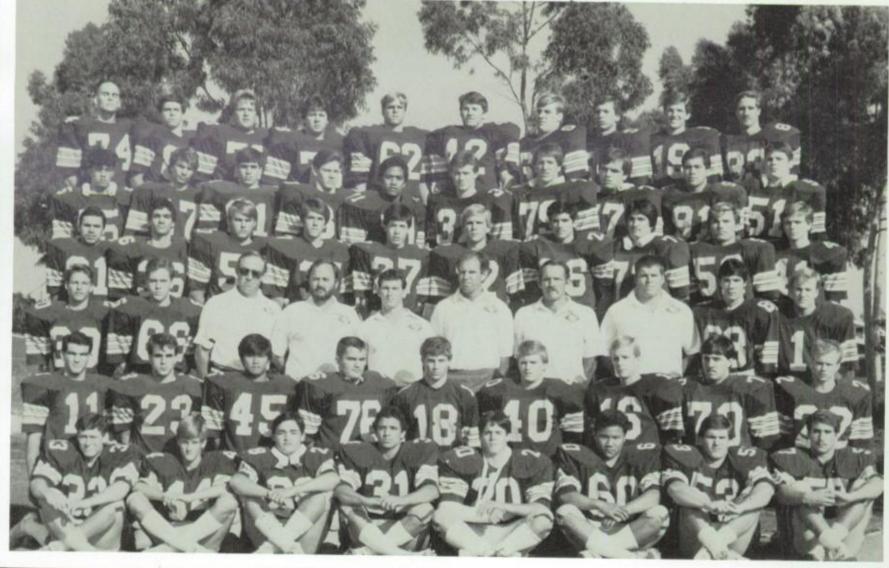

I hope you will always remember your turn in "The square". Or maybe your memories will reflect on "The Drive Drill," or "two-a-days," or your visits with "Mr. C!" Whatever you took away from the program I certainly hope that it made you a better person, for that really was our only goal.

Thanks for your contribution on "BUILDING TRADITION" Steve Colflesh

Nobody said it was going to be easy.

Nothing worth while ever is, but you see there is nothing really to be lost and everything to gain. To develop a winning attitude you must learn how to dream; yes to dare greatly. You must challenge yourself to become excited, confident and enthusiastic about it, and consider it for your own future. Reach inside and find that dream you've been hanging onto - the one about becoming somebody special, doing something great with your life. And use that dream to build your own winning attitude. If you believe in it, really believe in it, you'll have the security of knowing that nothing can defeat you. And remember that tough times never last, tough people always do. That's why they call them "WINNERS".

The girls' cross-country team was small in numbers but big in spirit! They had a very young team comprised of mostly freshmen and sophomores. It was frustrating competing against the more experienced runners from the other schools, but they tried to keep in mind that improvement could be measured in faster times and not only winning or losing. Mrs. Chilcott stressed that the girls improvement in their race times would be considered a success. The team was aided by a strong consistent performances by two freshmen, Ann Scaglione and Akemi Royer. Both girls were very determined to improve each time they ran.

With the addition of more runners, the O.V. girls can continue in their quest for excellence. Continued improvement from this year's team and aid from new talent can set Ocean View on the winning path.

#### A REBUILDING YEAR FOR THE SEAHAWKS

This year's Varsity Volleyball Team was a young one. All the players will return in 1984, more experienced, with a better attitude and sportsmanship. Potentially, O.V. could be one of the strongest teams in the Sunset League. Next year, with more self-confidence and a good attitude, the Seahawks will be unstopable. Good luck next year to Coach Thornton and the entire team.

was very pleased with this year's performances by all the wrestlers who stuck with the program since the beginning. I'm especially proud of our Frosh/Soph team, which placed 3rd in the Sunset League. There were many bright points about our young wrestlers that will carry on into next year. This year was the biggest turnout of wrestlers in a long time. It was a pleasure working with the young men.

Our varsity wrestlers showed great pride and strength in their efforts this year. We managed to beat Marina High School for our first league win in four years. Again Ocean View carries on the tradition of sending two more wrestlers to C.I.F. Over the season, many individuals earned awards and medals in tournament competition. This success shows that hard work and determina-tion is rewarding. Again, as coaches, we would like to sincerely thank the parents for their great support this year. The newspaper has brought many fascinating and intresting articles. It has informed us of the things happening in our school. The people bringing such informities have enjoyed doing so, from the person writing the article to the photographer taking the pictures. One person in particular whom the staff loves is the supervisor, Mr. Ben Ellerman. Though this is only his second year, he is doing a fine job with his staff. We're looking forward to the Breeze of next year.

### MUN HAS A REPUTATION AS A WINNER

hen it comes to international diplomacy, Ocean View High School has a reputation as a winner. Students in the school's Model United Nations program lived up to that reputation again this year at the national MUN conference held at Harvard University.

The committees, like the MUN program itself, are modeled after the real United Nations. Students delegations represent countries and are given a global crisis, much like those that face the real U.N.

The students then meet with other students in committees and try to solve the problem through negotians and resolutions, while maintaining their country's official policy.

### MANY ARE THANKFUL FOR THE HELP OF THE SPANISH CLUB

The Spanish Club has done a lot of things for a lot of people, and they are grateful for that. Things like: food collection for the poor during Christmas, fund raising, donations to the poor in Mexico, and helping with the MUN. But it's not so much the giving to people but also knowing that you did something good that gives you a special feeling. It's nice to know that the Spanish Club is more than just people getting together to talk.

# BIKE CLUB WHEELS ITS WAY FOR FUN

If you like riding your bike then you would like the Bike Club. They go for short trips, weekend trips, even a trip to San Diego. Most of all they enjoy what they're doing. Bicycle riding is great exercise plus a good way to see places. It's a lot of fun when you ride with friends and that's what this club is about, friends getting together and enjoying themselves. So if this sounds good to you, go have some fun on wheels with people who do the same.

# GOOD BOWLERS ALWAYS STRIKE

This is the second year for the bowling league. The league consists of 16 teams, and boasts of many top-bowlers. The bowlers practice at the Fountain Bowl on Mondays after school.

One of the hi-lights this year was the student, staff roll-off which was held in January, trophies were awarded to the staff and the student winners.

The outstanding yearly event is the roll-off with Fountain Valley vs. Ocean View. Ocean View won the school trophy last year and is hoping for a repeat this year. Good Luck to an excellent Bowling Team! Mimi Juarez serves as the Advisor for the bowling club.

# COME SAIL AWAY WITH US.

The Sailing Club is a new member of Ocean Views organizations. Ms. Shannon is the skipper of this club, which enjoys sailing on the weekends when the weather permits. These activities include visiting hospitals and convalescent homes, doing small labor activities, and even Christmas caroling. The club members are planning a trip to a Mexican orphanage to bring love, help and hopefully brighten the lives of the children there. The Agape Club has done many things in the way of becoming better friends (such as attending christian concerts together, and seminars). The time that the club spends together is very important (and that the club spends together is very important (and all are welcome) because they believe that unity is the key to friendship.

# PURSUIT OF EXCELLENCE

# ADMINISTRATION =

I feel our theme this year, "In Pursuit of Excellence," is especially appropriate for Ocean View High School. The principalship of Ocean View High School is the fulfillment of a long-awaited professional goal for me, and I consider myself fortunate to be the principal of such an outstanding high school. I have been impressed all year with the high caliber of our staff members, the support we have received from our parents and community members, and the enthusiasm and involvement of our outstanding student body. Whether it is academics, athletics, or extracurricular activities, Ocean View High School students consistently strive to be winners. I would like to extend my very best wishes for the future to the class of 1984. Whether moving on to college or other endeavors, I hope they will continue throughout life to be "In Pursuit of Excellence."

# A SYMBOL OF SOME NATIONAL AND LOCAL SIGNIFICANCE

#### And The Coast Community Colleges Know It Well

We are interested in helping you to gain the education necessary to optimize your earning power so that you can glom onto a lot of what that symbol represents.

And we can give you a head start toward that end, because our colleges are tuition free. That means for those who are concerned about the bucks, one of the great educational systems of the nation is yours for the price of books, gas, parking permit and some materials fees.

And look at it this way, also. Attendance at any of the three Coast Community Colleges significantly cuts the costs of a four-year education (unless, of course, you elect to spend four years with us).

So not only is the dollar sign a symbol of some significance. So are we: The Coast Community Colleges: Orange Coast College, Golden West College and Coastline Community College.

ell it's the end of another year at Ocean View. 1984 proved to be a tremendous success. What more could you ask for than accomplishments we have accomplished. In sports, Boys' Soccer, Basketball, Cross-Country and Girls' Basketball went to CIF. Academically, the Seahawks were also a success. Many students had the opportunity to go to Washington D.C. to learn about our government. Also proving their excellence this year were the pepsters. Doing extremely well in the Miss Drill Team USA competition. This year was the first for The Clean Campus Project with Ocean View winning both times. These are just a few of the many successes the Seahawks had this year. Way to go O.V.!! Students and Staff you did a terrific job!! Applause, Applause!!!

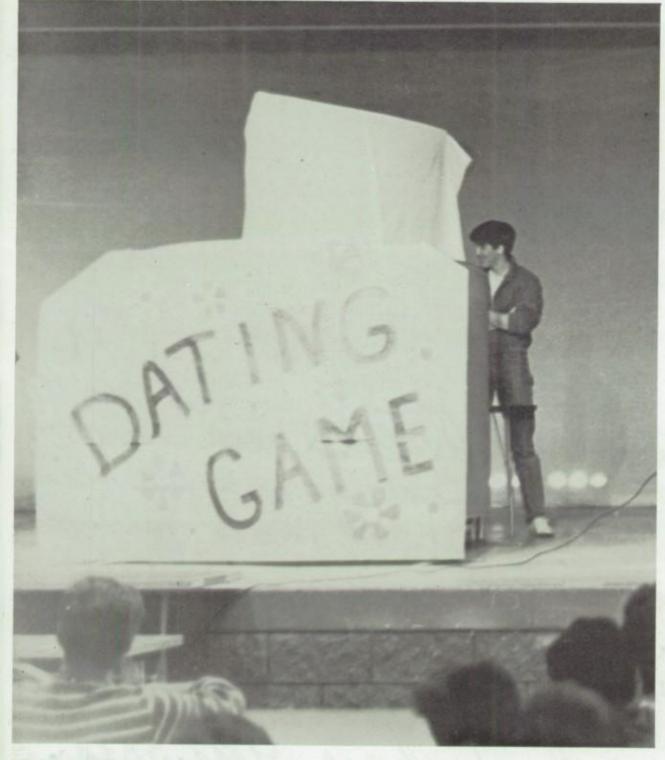

ncore! Encore! 1984 was a year to be proud of. This years Senior have many accomplishments to look back on and be proud of. It will be up to the underclassmen to continue the tradition of achievement. Take a bow '84!! Good luck to all and remember Victory always soars with the Seahawks!!
